

Visit 9: Review

At the 9th appointment, you can review of your lifestyle achievements and discuss how you would like to proceed.

You may decide to continue to lose weight or to maintain the weight that you have already lost.

Now is the time to look back over your progress, to recognise what you have achieved and to discuss what you may find difficult in the months to come as there are no further appointments with your CHW.

What obstacles or difficulties do you foresee in the months to come and how might you deal with them?

My Eating Plan

The energy prescription that has been calculated for me allows me to have

Kcal per day.

This allows me a certain number of 'servings' per day from the 5 food groups.

I can eat this amount every day:

Servings

Bread, chapatti and alternatives

Servings

Meat, fish and dahls

Servings

Fruit and vegetables

Servings

Milk and dairy foods

Servings

Fats and oils

You may find it useful to ask yourself the following questions to help you achieve the above targets:

How will I go about achieving this target?

How will I know if I have met this target?

Is it realistic for me to achieve this target in the amount of time I have available?
